Five StarsBy DAPENGYExtremely helpful with quality pictures.9 of 10 people found the following review helpful. Not worth the 'new' price!By xxxThis book is full of errors. That said, it does have a lot of information and I appreciate its narrow focus. Find a nice used copy for \$5-\$10 and you'll probably be satisfied -- pay \$38 and you'll go ballistic!

This comprehensive study covers the first decade of American silver dollars, from 1794 to 1804. It includes more than

200 photos -- including numerous detail shots -- year-by-year quick identifier guides, a complete listing of die states, and up-to-date rarity counts.
