

All the excitement and enchantment of over ninety years' worth of wonderful Wizard of Oz memorabilia awaits you on every page of this deluxe, full-color tribute to the collectibles and merchandise inspired by America's foremost fairy tale and everyone's favorite film! Oz experts Jay Scarfone and William Stillman have--for the first time ever!--compiled an astounding assemblage of over one thousand "Ozzy" artifacts documented and categorized for convenient reference in sixteen different sections. Autographs, books, buttons, dolls, games, puzzles, figurines, drinking glasses, postcards, novelties, publicity and promotion, posters and lobby cards, records, sheet music--it's all here AND SO MUCH MORE! You'll be amazed at the wealth of offerings to be found along that Yellow Brick Road of "Oz and ends." Supplemented by a timely value guide, this comprehensive volume is an absolute must for collectors of movie memorabilia, dolls, toys, Judy Garland, or anyone devoted to magical mementos of Ozmania!

About the Author William Stillman is the award-winning, internationally-known author of the Autism and the God Connection book trilogy. Since 2004, Stillman has worked professionally as a psychic, and has been interviewed on numerous paranormal radio programs.
