From Monsen Baer : The Wonder Of Perfume: Monsen Baer Perfume Bottle Auction Xiv, April 30, 2004
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wonder Of Perfume: Monsen Baer Perfume Bottle Auction Xiv, April 30, 2004:

The Wonder of Perfume offers collectors an astonishing array of perfume bottles and atomizers by the American

companies DeVilbiss, Pyramid, and Volupt, as well as an astonishing array of rarities of the commercial type, particularly in the categories of Baccarat and Lalique, alone with a tour de force of Czechoslovakian bottles. This provides the collector with with a resource for collecting and research, documenting perfume bottles, their history, and their makers.
