The World of Oz Paper Dolls

Ted Menten : The World of Oz Paper Dolls before purchasing it in order to gage whether or not it would be worth my time, and all praised The World of Oz Paper Dolls:

Dorothy Gale's adventures in the Land of Oz didn't end after that famous first one when she met the Scarecrow, the Tin Woodman, and the Cowardly Lion. "The Wonderful Wizard of Oz" was followed by 38 more Oz books that introduced more than 600 magical characters. In Ted Menten's newest paper-doll book, "The World of Oz," Dorothy and her original three friends are joined by Jack Pumpkinhead, Tik-Tok, the Patchwork Girl, and Princess Ozma, accompanied by a few more characters from Oz. All of the images are inspired by the illustrations John R. Neill drew

for the later Oz books. You'll have hours of fun over the rainbow dressing up these 7 paper dolls in 23 different outfits.
