11 of 11 people found the following review helpful. Excellent doll bookBy Mary BachThis a must have for any doll collector of modern dolls. There are over 50 doll artists mentioned with a brief history of their work. For each artist mentioned there is at least one photo of their dolls. There also is The World's Most Beautiful Dolls Volume II as a great follow-up edition.

Dolls are, by definition, playthings. But the best of today's dolls are highly collectible works of art. This book traces the history of dolls and doll collecting, and takes you into the wonderful world of artists dolls, many of which sell for thousands of dollars. The stunning creations of fifty internationally renowned artists are showcased in full color

photographs. Discover the artists and delight in their inspiring stories. 9" x 12".
