(Pdf free) Tiger Patterns: A Guide to the Vietnam War's Tigerstripe Combat Fatigue Patterns and Uniforms (Schiffer Military Aviation History (Hardcover))

## **Tiger Patterns: A Guide to the Vietnam War's Tigerstripe Combat Fatigue Patterns and Uniforms (Schiffer Military Aviation History (Hardcover))**

**Richard Denis Johnson : Tiger Patterns: A Guide to the Vietnam War's Tigerstripe Combat Fatigue Patterns and Uniforms (Schiffer Military Aviation History (Hardcover))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tiger Patterns: A Guide to the Vietnam War's Tigerstripe Combat Fatigue Patterns and Uniforms (Schiffer Military Aviation History (Hardcover)):

0 of 0 people found the following review helpful. Nice book, some good photosBy Jonathan JacopsNice book, some good photos. I would include a bit more on NVA tiger stripes as this is where I heard the patterns started from, a friend

of mine who is an avid collector of VC and NVA memorabilia was aware of this. I see the French pattern shown and then again who has all the history as of origin of tiger stripes. GOD.... I as well am very happy the Marine Flight Suit Tigers were shown as they were used in I believe 1963 or 4.YP-13. God bless.0 of 0 people found the following review helpful. Lots of infoBy STrooperCool book0 of 0 people found the following review helpful. Five StarsBy nitasvery good

To collectors of modern military uniforms, Vietnam era tigerstripe combat fatigues have always been a much sought after commodity. The pattern itself, in all of its classic forms, is both exotic and unique and carries with it an immediate, esthetic sense of the full drama of that not to distant Southeast Asian conflict. There exists however, surrounding this one camouflage pattern numerous misconceptions. Tiger Patterns analyzes to the most minute degree, the finite variances which defined the many original, Vietnam era tigerstripe patterns and uniform cuts and establishes dependable identification techniques and practices, whether your particular interests area as a historian, veteran, modeler, or collector and enthusiast.
