Tomart's 6th Edition DISNEYANA Guide to Pin Trading (Tomart's Illustrated Disneyana Catalog Price Guide)

Thomas Tumbusch : Tomart's 6th Edition DISNEYANA Guide to Pin Trading (Tomart's Illustrated Disneyana Catalog Price Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tomart's 6th Edition DISNEYANA Guide to Pin Trading (Tomart's Illustrated Disneyana Catalog Price Guide):

1 of 1 people found the following review helpful. Disneyana book (Guide to Pin Trading)By Tamra MothershedThis is a good book if you are into pin trading. My family and I were just into pin trading the one week we were in Disney World and have put the hobby aside since returning home. This book was very good for general information about the pins we ended up with. The book outlines the history of how pin trading has evolved, explains what pins are traded where, and explains the different categories that determine price. It also has a lot of detailed, color pictures that are fun

to look at and study for future vacations to WDW. I'd recommend this text to friends, and I'd also recommend this Seller. Book arrived promptly as expected in perfect condition.2 of 2 people found the following review helpful.
EXCELLENT HELPER AFTER OUR TRIPBy Dei BoltzMy children became enthralled with pin collecting during our first trip to Disney. When we came home, I ordered this book to help us determine the value of what we had purchased as well as what we had traded. The book was extremely helpful in our quest. When we visited the second time, we had an even better idea of what to look for in terms of pins.0 of 0 people found the following review helpful.
I am very satisfied.By W E F IIexactly what was offered. I am very satisfied.

The 6th Edition of Tomart's DISNEYANA Guide to Pin Trading is the first new edition in over two years, and contains many additions and changes. But don't get rid of your Fifth or earlier editions. Many pins will not be repeated. Foreign pins and Disney Auction/Shopping pins have been eliminated to concentrate on US Disney theme parks, Disney Cruise Line, New York World of Disney and other operations. New issue pins for eliminated categories will still be covered in Tomart's DISNEYANA Update magazine, but will not appear in our traditional guide. Values have also been revised to reflect the current market.
