Tomart's Price Guide to Tin Litho Doll Houses and Plastic Doll House Furniture

Mary Brett : Tomart's Price Guide to Tin Litho Doll Houses and Plastic Doll House Furniture before purchasing it in order to gage whether or not it would be worth my time, and all praised Tomart's Price Guide to Tin Litho Doll Houses and Plastic Doll House Furniture:

34 of 35 people found the following review helpful. An excellent reference to tin litho houses.By LorraineMary Brett has written the Bible of Tin Litho houses. Excellent pictures of the houses detail their interiors, exteriors and the furniture needed to make them cosy little homes. All major producers are covered, Marx, Cohn, Wolverine to mention just a few. Ms. Brett also includes a section on the more unusual items, such as the rare and unique Friendly Folks Motel. Better buy two copies, this book is destined to become dog-eared and worn before very long.0 of 0 people found the following review helpful. Book Pricey, Photos Small, Some Items listed with Picture Reference but No PictureBy Sam Pea MomFor \$10 I expected a larger book with clearer pictures. The photos are sometimes blurry,

there is very little info about the dolls that go with the dollhouses, and there are pictures referred to but no pictures included. On page 5 there is reference to the Renwal babies, but no pictures. I was disappointed on the whole. The book could be much more complete - for a list price of \$17.95 I would never have bought it in a store, but I paid almost that much with the SH charge. 2 of 2 people found the following review helpful. One of the best, simple tin doll houses guides around! By J. Rader I was able find photos and information on all the dollhouses I was interested in, including my own! It's a delightful book: good photos, descriptions and trivia, and not too thick to carry around!

Book by Brett, Mary O., Trissel, Rebecca Sue, Tomart Publications (Firm)
