IMPECCABLE WORK!!!By Victor LazloIf you are a truck enthusiast, or just a general motor vehicle history buff, this book would be yet another addition to your library...it certainly was to mine!!! Every aspect of the history of the towing industry is covered, and not just the truck modelss/years, but photos of the shops and folks and their employees who ran them. This book is a remarkable collection, with detailed photos of every tow truck and every vintage year in the book: Fords, Chevrolets, Dodges,the works...a TRUE GEM for every enthusiasts' and history buff's library!

With millions of cars and HGVs on the road, the vehicle recovery business is kept busy 24 hours a day. This history features over 500 photographs and 50 essays on the hardworking people and vehicles that rescue others in difficulty.

Enthusiasts will also learn how to find and fix old models.
