

toys, placing them in historical context and examining their development and launch, their impact on kids and the larger community, and their reflection of the social and cultural shifts of each decade. The book, developed in conjunction with the national traveling exhibit of the same name, will include firsthand stories shared by adults who revered these toys as kids as well as research gleaned from primary sources and toy experts and collectors.

About the Author Adam Scher is a senior curator in the collections department at the Minnesota Historical Society.
More to come.
