As a collectibles dealer I need to be in know with pricing and knowing what items either look like or if any variants exist, this book covers quite a few of these and a wide variety of products from Action Figures to Hot Wheels. This is the 2015 edition, but it still gives enough info that I can make my pricing decisions using it. A+ here!0 of 0 people found the

In the middle is a nice glossy section with picture of some popular toys of the past. I purchased this as a gift for someone who loves to thrift shop and he loved it. He enjoyed just looking through it and remembering toys from the past. The book came quickly and in great condition.0 of 0 people found the following review helpful.
