Tracing Tips Place a piece of paper or thick card stock under each page before tracing. This will help prevent your tracing lines from appearing on other pages in the book. Use a fine tipped pencil at first. This way you can erase your happy accidents. Ball point pens glide easily across the pages. Try tracing with a colored pencil for a truly unique, artistic effect. Fine tipped charcoal or graphite works great too. You can even use either of these to hone your shading techniques. Oh yeah, Have lots of fun!
